## Make a big statement without being bold.

Ashbury I/S combines innovation and style. Our foam backed profile not only improves the comfort of your home but will bring forth its traditional charm. With the widest profile of any of our products, Ashbury's coverage is best suited for your large, stately home. Available in a number of attractive, muted tones, Ashbury doesn't scream for attention: it quietly demands it.

**Ashbury I/S Chromalock Vinyl Technology**  
Locks in color so the color you choose today will look great for the years to come

**Full 3/4" Profile with Classic Craftsmanship**  
Full 3/4" profile with deep wood grain texture that captures the essence of classic craftsmanship with dramatic shadow lines.

**A Quieter, More comfortable Home**  
Premium 0.050" thickness and double sized foam backed panels offers up to 30% less noise and significantly reduces air infiltration for a quieter home. Ashbury I/S will keep your home warm in the winters and cooler in the summer.

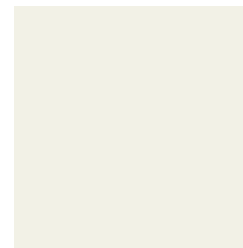

**Designed for Structural Integrity**  
Offers exceptional impact resistance, shielding against impacts up to 300% more than other sidings.

**Double-Thick Cyclone System Nail Hem**  
Ashbury I/S siding can withstand winds.
