VINYL SIDING INSTITUTE MEMBER

Dakota™
Be the star of the neighborhood.

Inspiration Realized

Be the star of the neighborhood.

Dakota's proprietary blend of premium vinyl compounds, rugged construction and the best UV inhibitors in the industry ensure it can handle anything the elements bring. Built to last, our exceptional product is carefully designed and manufactured to give you the best performance possible.

Cyclone System™ Nail Hem
Our strong nail hem provides rigidity and wind resistance up to 181 mph

Dakota Plus Colors: .046" Panel Thickness
Where our competitors cut corners, we deliver optimal thickness for impact resistance and strength

Armor For Your Home
Manufactured with our Chromolock™ and Spectrashield™ technologies providing a 25-year fade resistance warranty

Self-aligning Locking System
Our panels snap together with ease while allowing for flexibility in positioning during installation

Limited lifetime warranty
